Dialogic Group Inc. Acquired by Enghouse Systems Limited

OTTAWA, ON, JANUARY 13, 2020 –Dialogic, a cloud-optimized solutions provider and technology partner to Pronexus, recently announced that it has been acquired by the Canadian based software and services company, Enghouse Systems Limited. In the official press release, Enghouse Systems forecasted Dialogic's revenue to be between $58.0 million and $63.0 million over the next year.

"Pronexus is pleased with Enghouse Systems' acquisition of Dialogic and is excited to build new relationships and continue to work together to meet the needs of our customers," said Gary Hannah, CEO of Pronexus. "Dialogic has been an important partner to Pronexus over the years and we are looking forward to seeing the company further expand its media processing solutions across the globe."
